Curricular and Programmatic Surveys

In a continuous effort to meet the needs of the students, faculty, staff, and accreditation standards, Larkin University promotes and maintains a culture of assessment. By doing so, any changes to the program or curriculum will be based on facts, research and analysis. Most, if not all, aspects of the curriculum and program have various analytical methods to determine whether the College is achieving the desired outcomes. Much of the data will be collected through mandatory evaluations, feedback, surveys and "town hall" style meetings with various administrators. As such, the student's participation is key to
